

Rebecca Black & Dave Days, Saturday

Oh my god, I love this song
This is my jam
Where is my peanut butter?

2 PM, getting out of my bed
Trying to get Friday out of my head
It's all so hazy
Got a little too crazy
You know I'd do it all again

Call everyone you know
Turn up the radio
Cause this is our song
We can do no wrong
Are you ready, are you ready to go?

This Saturday we're gonna party all night
One we will remember the rest of our lives
This Saturday we're gonna do it bigger than we ever have before
I don't want this Saturday to end /3x

(- Hello?)
- Hey, come over
(- Alright, alright, I'll be right over. I just gotta find my pants.)

[Dave Days:]
Rolling up, I'm on the scene
Want you here right next to me
Yeah, cause this is our night
Ain't got no deadlines
There's nowhere else I'd rather be

Call everyone you know
Turn up the radio
Cause this is our song
We can do no wrong
Are you ready, are you ready to go?

This Saturday we're gonna party all niAnnotateght
One we will remember the rest of our lives
This Saturday we're gonna do it bigger than we ever have before
I don't want this Saturday to end /3x

Yesterday was Friday, today is Saturday
We're gonna live like there's no tomorrow
Wouldn't have it any other way

This Saturday we're gonna party all niAnnotateght
One we will remember the rest of our lives
This Saturday we're gonna do it bigger than we ever have before
I don't want this Saturday to end /3x
