

Rebecca Lavelle, Hopeless Case

Its true- that i love you
Thats right- so very right
But dont you break my heart
No dont- although you might

(Cos im a) Hopeless case
(And you're a) Recless waste
(I'm a) Hopeless case
kiss me now x4
Whats your haste?
Cos I'm a hopeless case
Kiss me now
Cos im a reckless waste

So sad- dont ever leave
Thats wrong- cos youre my dream
Yes stay- I love your face
Please stay- I'm on your case
