

# Rebecca Lavelle, This perfect day

This day, this perfect day  
Peace, peace at last  
Love blurs, love blurs my eyes  
And my heart is in your hands

Chorus:

No more yearning, no more fears  
For you have brought me home  
No more yearning, no more tears  
Oh safe harbour of my home  
Oh safe harbour of thou own

I dream, I dream of you  
I dream, soul to soul  
Just you, just you alone  
And I trust and I trust in you

Chorus

I give, I give to you  
All that I know is true  
And you give, you give to me  
All of your heart  
And all of your soul  
And the promises well keep as we grow old

This day, this perfect day  
Peace, peace at last  
Love blurs, love blurs my eyes  
And my heart is in your hands

Chorus
