

Rebecca St. James, Forgive Me

For all the times I've failed You, Lord
Forgive me
For all the ways I've fallen short
Lord, forgive me now
God, I'm so in need of grace
I fall upon my face
Forgive me

You see the tears fall down my face
Forgive me
Take my fear, Lord, take my shame
Lord, forgive me now
Purify me, make me new
Like only You can do

Forgive me now

Lord, we come to honor You
We are forgiven
We bring our love and thanks to You
We are forgiven now

God we praise You for Your grace
Before You we are raised
Forgiven
God we praise You for Your grace
Before You we are raised
Forgiven
