## Rebecca St. James, Jesu' Joy Of Man's Desiring

By J.S. Bach English Text by Bernard Gasso Arrangement by Byron Hagan, Tedd T. & Decca St. James

Jesu' joy of man's desiring Thou whose love shines down like a guiding light Drawn to thee with souls aspiring Through our faith we reach celestial height

Son of God we pray we may reach thee May we live in peace we beseech thee

Open doors of truth unknown As thy love comes down from the heavenly throne Teach us from they heavenly throne

Open doors of truth unknown As they love comes down from the heavenly throne
