

Rebecca St. James, My Hope

When the weight of the world is on my shoulders
And my bridges are broken
I will remember You
When the flowers are blooming, skies are bluer than ever
And everything's well
I will remember You
Oh Lord my God, You walk beside me
Through the laughter, through the tears
Oh Lord my God, You hold and You hide me
Because of your love, I have nothing to fear
You are my hope You are my joy
You are my savior and You are my God
You are my love You are my life
And I will praise you forever my God
The deepest part of me is crying out
Just to know You more
So I remember You
Now I will draw nearer to who You are
And I see you clearer
As I remember You
