

# Rebecca St. James, Ok

Inwardly I  
See Your smile  
And I reach for, I reach for it  
Cause I know it's all gonna be okay  
Okay...

CHORUS:

It's all gonna be okay, okay, O.K.

That is why I always say

It's all gonna be O.K.

I want to

Cover You with presents

But my love is all I have

So take me, take me now

Cause I know You'll not abandon me

You will complete what's begun in me

[CHORUS]

As I Come closer now

Hold me

And wipe away my tears

Hold me... Oh

[CHORUS]
