

Rebecca St. James, Reborn

CHORUS:

If you see a change in me don't wonder
There's Someone in my life
And peace I can't describe
For I've been reborn

If you see a change in me don't wonder
I've found a whole new life
And hope that I can't hide
For I've been reborn

Have you ever felt a longing
A searching within your soul for something more
But you don't know what for
There's One who will reach across the distance
From the heavens to the earth
Because He loves you
He loves you

REPEAT CHORUS

{If you see a change in me}
{If you see a change in me}
{If you see a change in me}

Have you ever felt
That something's missing within your soul
You want something more
But you don't know what for
There is only one you need
But you got to believe that He loves you
Enough to give His life

REPEAT CHORUS 2X
