

# Rebecca St. James, Shadowlands

You promised me  
That You'd never leave  
Or let me go  
You promised me  
That You'd love me through  
The highs and lows

You promised me  
You won't give me more  
Than I can hear  
You promised me  
That when I cry out  
That You'd be there

The shadowlands are what I know  
So I'm hanging on to Your every word  
The shadowlands surround me now  
But You walk with me through the cloud  
Into the sun  
Into the sun

You promised me  
If I sow in tears  
I'll reap in joy  
You promised me  
That You will breathe life  
Into my soul

I know it's true  
All that You say  
I believe in You  
And I am standing on  
The promises You've made

You promised me and I believe
