

# Recess Monkeyz, Breaking Up For Beginners

I'm dying on the inside,  
From questions that I cannot answer because you taught me how to hurt  
So where do we go now?  
Because I'm just not allowed  
I just cant comprehend  
Does anyone know what it feels like?  
To put your heart on the line.  
You know I'll always care  
But you were always unaware  
Of what's been happening in my mind

Thanks, for, all that you put me through  
Even though, I said that I'd be there for you

Does anyone know what it feels like?  
To put your heart on the line.  
You know I'll always care  
But you were always unaware  
Of what's been happening in my mind

I want you to know that I'm over you.
