Red Car Wire, Rachael Leigh Cook

Wake up breathe out tell me what you Thought about I just gotta know Breakdown falling caught me on my knees I'm crawling to be with you Help me help you, you swept me off my Feet I need to be with you And you made me stutter I can't stand this it's killing me Here I am baby, you and me are Running in circles we're Running in circles Sleep sweet dream please of you and me And I will make you dreams come true Wake up with me tell me that you love me I just gotta know cause that how I feel
