

# Red Hot Chili Peppers, Catholic School Girls Rule

Catholic school girls rule...

In the class she's taking notes  
Just how deep deep is my throat  
Mother Mary don't you know  
She's got eyes like Marilyn Monroe

Catholic school girls rule...

From the cross she's raised her head  
This is what the sister said  
Give no love until you're wed  
Live no life until you're dead

The good books says we must suppress  
The good books says we must confess  
But who cares what the good books says  
Cause now she's taking off her dress

Catholic school girls rule...

Lead us into temptation  
We are pure divine creation  
Talkin' about my generation  
Injected with the seed of emaculation  
Catholic!
