Can I get a little lovin' from you
Can I get a little bit of that done did do
You are on the road
Tell me now girl that you need me too
Tell me now girl 'cause I've got a feeling for you

Every man has certain needs

Talkin' 'bout them dirty deeds

To these needs I must concede
Livin' by my lowly creed
(Livin' by my lowly creed)

Woman please know that I'm good
(Woman please know that I'm good)
Know that I did all I could

But yes it's truely likelihood
Of being great is not so good

You are on the road
Can I get a little lovin' from you
Can I get a little bit of that done did do
You are on the road
Tell me now girl that you need me too
Tell me now girl 'cause I've got a feeling for you

There are no monks in my band

More rockin' more rockin' now doobley doo
Dancin' down your avenue
