

Red Hot Chili Peppers, Havana Affair

PT-boat on the way to Havana
I used to make a living, man
Pickin' the banana.
Now I'm a guide for the CIA
Hooray for the USA!

Baby, baby, make me a loco
Baby, baby, make me a mambo.

Sent to spy on a Cuban talent show
First stop - Havana au go-go
I used to make a living, man
Pickin' the banana
Hooray for Havana!

Baby, baby, make me a loco
Baby, baby, make me a mambo.
