Red Hot Chili Peppers, My Friends

My friends are so depressed I feel the question of your loneliness Confide, 'cause I'll be on your side You know I will, You know I will

Ex-girlfriend called me up Alone and desperate on the prison phone They want to give her seven years For being sad

I love all of you Hurt by the cold So hard and lonely too When you don't know yourself

My friends are so distressed And standing on the brink of emptiness No words I know of to express This emptiness

I love all of you Hurt by the cold So hard and lonely too When you don't know yourself

Imagine me Taught by tragedy Release is peace

I heard a little girl And what she said was something beautiful To give your love no matter what Is what she said

I love all of you Hurt by the cold So hard and lonely too When you don't know yourself
