

# Red Hot Chili Peppers, Party On Your Pussy

Well, my landlady, she lives three houses away  
And she claims that she can here my baby screaming to me  
&quot;Fuck me, Anthony. Anthony&quot;

I want to party on your pussy, baby  
I want to party, party on your pussy  
I want to party on your pussy, baby  
I want to party, party on your pussy

Struck by lust in a telephone booth  
Busted by a cop; he said, &quot;That's uncouth&quot;  
Well, he said that he can hear my baby screaming to me  
&quot;Fuck me, Anthony. Anthony&quot;

I want to party on your pussy, baby  
I want to party, party on your pussy  
I want to party on your pussy, baby  
I want to party, party on your pussy

I want to party on your pussy, baby

I want to party on your pussy  
I want to party on your pussy, baby  
I want to party on your pussy

I want to party on your pussy, baby  
I want to party on your pussy  
I want to party on your pussy, baby  
I want to party on your pussy

Let me shine your diamond  
The girl got a scratch  
Slap that cat  
Have mercy

I want to party on your pussy, baby  
I want to party, party on your pussy  
I want to part on your pussy, baby  
I want to party on your pussy
