

Red Hot Chili Peppers, So Much I

Next stop on the KML
Two lips and a sturdy stem
A funny thing always happens when
I get a heavy jam
Im gonna turn it into hydrogen
Cowgirl and a troubadour
MGM and the lions roar
A straight shot to the corner store
I wanna show you what
I wanna show you what you head is for
So much I, wish I could
So many I, wish I would
So much I, Wish I could
Count on you not to complete me
So much I, wish I could
So many I, wish I would
So much I, wish I could
Count on you not to defeat me
Please dont turn away again
Please dont turn me into them
Please dont turn away a friend
Please dont turn me into them
Stand by for the grat eclipse
Rip it out now shake your hips
Backing off the apocalypse
I gotta loosen up
I gotta loosen up to get my grip.
