Red Hot Chili Peppers, Teenager In Love

Each time we have a quarrel It almost breaks my heart 'Cause I'm so afraid That we will have to part Each night I ask the stars up above Why must I be a teenager in love?

One day I feel so happy Next day I feel so sad I guess I have to learn The good with the bad Each night I ask the stars up above Why must I be a teenager in love?

I cried a tear For nobody but you I'll be the lonely one If you should say we're through

Well, if you want to make me cry That won't be so hard to do If'n you should say goodbye I'll still go on loving you Each night I ask the stars up above Why must I be a teenager in love?

I cried a tear For nobody but you I'll be the lonely one If you should say we're through

Well, if you want to make me cry That won't be so hard to do And if you say goodbye I'll still go on loving you Each night I ask the stars up above Why must I be a teenager in love?
