## Red House Painters, You Ain't Got A Hold On Me

(Young, Young, Scott)

You can roll me round your finger You can roll me if I'm blind You can roll me roll me roll me I'm the easy rollin' kind But don't think I'm facin' down hill 'Cause soon you'll see You'll lose your grip and slip But you don't got a hold on me

You don't got a hold on me You don't got a hold on me Why don't you let me be Why don't you let me be

You can take me to your bedroom You can take me to your heart You can take me up to the hill I won't fall apart But don't count on me givin' it All back to you Just because I'm hooked on livin Doesn't mean I'm hooked on you

You ain't got a hold on me You don't got a hold on me Why don't you let me be Why don't you let me be Why don't you let me be You don't got a hold on me
