

Red Simpson, Happy Go Lucky Truck Driver

Well there's not a girl around that can make me settle down
Cause I'm a happy go lucky truck driver
I'm happy and carefree yeah and that's just how I wanna be
I'm a happy go lucky truck driver
Well I work real hard and I save my mon just to havin' my fun each day
And that's just how I'm gonna stay
Well I'm just like a wild wild goose fancy free and I'm foot loose
I'm a happy go lucky truck driver
(guitar)
Well I've never seen a pretty girl yet that I could not forget
I'm a happy go lucky truck driver
I'm a livin' the life for these I'm doin' just what I please
I'm a happy go lucky truck driver
Well I work real hard...
I'm a happy go lucky truck driver
