

Redd Kross, Ballad Of A Love Doll

LoveDolls

LoveDolls

If you're thinking of the streets

And you havn't met your match

Well here's some advice from Bunny, Kitty, and Patch

LoveDolls

LoveDolls

Are tired of being thrashed on

Are you prepared to pay the price?

Better scratch up your cash

Because the dolls just ain't that nice

LoveDolls

LoveDolls

If you're a teenager on the run

The LoveDolls will provide the fun

Can't Stop

Until it's done

The LoveDolls story, baby has just begun ...

To the bands that we all hate

You better split before it's too late

The She Devils will die in a LoveDoll rage

Planets will collide

When these bitches hit the stage!
