

# Redd Kross, Linda Blair

In the Exorcist, baby  
You were really insane  
You got busted, you got dusted  
You got busted for cocaine  
Your born innocent, girl  
And that ain't all  
You got it for the first time baby  
In a shower stall

Kidnapped raped and possessed  
Linda is the Best  
She used to be on the run  
But now she thinks it's a lot of fun  
She takes her cigarettes from her sleeve  
Now she never wants to leave  
Not even when she's eighteen

Liiiiiiiiinda, Liiiiiiiiinda, Liiiiiiiiinda, Liiiiiiiiinda
