

# Redd Kross, Ms. Lady Evans

Wicked witch, she reigned supreme  
In rubber phallus dreams

It&#039;s ok to be stupid  
If everybody else is

Never want to go to that place  
All the people there are bad things  
It&#039;s like babylon for sad morons  
And fools, what can you do

Lady evans was the one  
Who watched us on the prison yard

Unattractive was the main attraction  
When she was on guard

Never want to go to that place  
All the people there are bad things  
It&#039;s like babylon for sad morons  
And fools, what can you do

The neighborhood is clear and bright  
The people know they&#039;re looking fine  
You&#039;re never gonna leave  
It&#039;s plain to see  
Fallen stars and their stolen cars  
In reality, you see

He&#039;s the one who rocked the nation  
Inter-racial  
He&#039;s the one who rocked the nation  
Inter-racial sex sensation

The neighborhood is clear and bright  
The people know they&#039;re looking fine  
You&#039;re never gonna leave  
It&#039;s plain to see  
Fallen stars and their stolen cars  
In reality, you see

The neighborhood is good  
The neighborhood is good  
The neighborhood is good
