

Redd Kross, Notes & Chords Mean Nothing To Me

I wanna break my guitar
It won't get me nowhere
It's gonna scream at my fingers
I wanna rip out my hair
I wanna throw it on the ground
And turn it up real loud
Kick it with my foot
And throw it on the ground

It don't matter anyway
If my hands are in the right place
Notes and chords mean nothing to me
Just listen and you will see
It don't matter anyway
If my hands are in the right place
Notes and chords mean nothing to me
Just listen and you will see

Stand on the stage and you feel like an ass
You look too cool, it won't pass
I won't be sad if you i play it real bad
This is the most fun i ever had

It don't matter anyway
If my hands are in the right place
Notes and chords mean nothing to me
Just listen and you will see
It don't matter, it don't, it don't matter anyway
If my hands are in the right place
Coz notes and chords they don't mean shit to me
Just listen and you will see
