

Redd Kross, Super Sunny Christmas

Christmas is upon us now - it's summertime
I don't have to wear a jacket in my 409
Oh, bikini-clad angels
Wear mistletoe as halos

It's gonna be a Super Sunny Christmas, I know

It's been a long cold winter
I was naughty on ice
But now the sun is out
I think I wanna be nice, oh!
Got the Zeros on my stereo
I'm so glad there ain't no snow

It's gonna be a Super Sunny Christmas, I know

Peace on Earth will shine
Loving another is on my mind
The day the planets are all in line - oh

Christmas is upon us now - it's summertime
I don't have to wear a jacket in my 409
Oh, bikini-clad angels
Wear mistletoe as halos

It's gonna be a super...
It's gonna be a mover...
It's gonna be a Super Sunny Christmas, I know
I know
I know
I know...

Have a Merry Christmas (Happy New Year)
