

Redhotchilliepeppers, Californication

Psychic spies from China Try to steal your minds elation

Little girl from Sweden

Dream of silver screen quotations

And if you want these kind of dreams

Its Californication

Its the edge of the world

And all of western civilization

The sun may rise in the East

At least it settles in the final location

Its understood that Hollywood

sells Californication

Pay your surgeon very well

To break the spell of aging

Celebrity skin is this your chin

Or is that war your waging

Chorus:

First born unicom

Hard core soft porn

Dream of Californication

Dream of Californication

Marry my girl be my farr to the world Be my very own constellation

A teenage bride with a baby inside

Getting high on information

And buy me a star on the boulevard

Its Californication

Space may be the final frontier

But its made in a HOLLYWOOD basement

Cobain can you hear the spheres

Singing songs off station to station

And Alderons not far away

Its Californication

Born an raised by those who praise

Control of population everybodys been there and

I dont mean on Vacation

Chorus

Destruction leads to a vary rough road

But its also craetion

And earthquakes are to a girls guitar

Theyre just another good vibration

And tidal waves couldnt save the world

From Californication

Pay your surgeon yery well

To break the spell of aging

Sicker than the rest

There is no test

But this is what youre craving

Chorus
