3 2 Murder 1 lyric at your door
Tical bring it to that ass raw
Breakin all the rules like glass jaws
Nigga, you got to get mine to get yours
Fucka, we dont need no rap tour
I'd rather kick the facts and catch you with the rap-ture
More than you bargained for
Tical, that stays open like an all nite store
For real, I keeps it ill like a piece of blue steel
Pointed at your temple with the intent to kill
And end your existance, M-E-T
Ain't no use for resistance, H-O-D

Verse Four: Redman

I bees the ultimate rush to any nigga on dust
The Egyptian Musk use to have me pull mad sluts
I shift like a clutch with the Ruck
Examine my nuts, I dont stop till I get enough
Your shit broke down, light your flare
Since the darkside tears you into hollywood squares
6 million ways to die, so I chose
Made it 6 million and 1 with your eyes closed
The blindfold, cold, so you can feel the rap
And shatter the glass and second half on your monkey ass
And yo my man (Tical) hit me now
Bitches use to play me now they cant forget me now
Forget me not, I rock the spot, check glock
Empty off a lickin off a hip hop

Fuck the billboard, Im a bullet on my block How you dope when you payed for your billboard spot?

## Chorus:

Look up in the sky, it's a bird, it's a plane
It's the funk doctor spock smokin buddha on a train
HOW HIGH? So high that I can kiss the sky
