

Redman, Rite Now

[Redman (Al Green sample):]

Yeah, Gilla!

(Right now, right now, right now, right now)

Yeah, Gilla!

(Right now, right now, right now, right now)

Ladies and gentlemen Al Green!

[Verse 1: Redman]

Yo! Yo dogg!

I'mma get this - shhhhhh! - up, poppin' like "Yeah!"

Chicken drawers be droppin' like "Yeah!"

I keep a dirty apartment like "Yeah!"

Fall when I hit the target like "Yeah!"

Y'know how it be, yo!

Rep that hood, Clint Eastwood

Neighborhoods never sleep good, I make it understood

My shoes too big

Violate, you'll be gettin' your news through B.I.G.

A big rig for a big kid - that's me!

I should've got a scholarship for Athlete's Feet

Duck Down - breathe, pure uncut

I can bag it in dimes, "Freakniks" like "Beat Street"

A-T-L, beat-beat, what the deal?

You "Okay" like Ciara, let's freak for now!

Gotta' build my clientele like Nino

Hip hop's "Departure", I "Deboe" the East Coast

Three's a crowd, keep two in the peep coat

When I in, I do it again like TiVo

Doctor, bill it!

Blocks gonna feel it!

Def Jam, feel it!

Street team, deal it!

I'm back in the game again - ughhhh! - y'all

My money kinda' short, so I'm comin' for y'all

G-I-Double L-A, be out in L.A.

"Child" was "Destine" like 'Chelle be and Kelly

[Chorus x2: Redman (Al Green sample)]

Hold up! Wait a minute! Tell me again!

Yo, when you gonna drop it?

(Right now, right now, right now, right now)

Not now, but right now! GILLA!

Not now, but right now! GILLA!

[Verse 2: Redman]

You know what it is!

Yo dogg! I be in the UK, gettin' boo-tay

You at home, gettin' loose change for a bouquet

Too late, got cha girl by my two braids

And a sidekick 'cause the chick go two ways!

Heyyyy! Doctor "Inda Buildin'"

Never get gassed when the camera filmin'

"Blaow! Blaow!" - Don't know the half

As soon as somethin' "Brrrrrrat!" - Haul ASS!

Me, I'm never scared, I die on my two feet

And you confused like a Jew wearin' kufis

I'll rip your MC, no matter whose street

Call ?? and how Doc abuse loose-leaf

Yeah, I bought a jeep sellin' loosies

GILLA! The illest since Thrilla Of Manilla

Chickens on yo' block, know I'm that GILLA!

Yo - ugh! - got Botox and mine's on liquor!

[Chorus x2: Redman (Al Green sample)]

Hold up! Wait a minute! Tell me again!
When you gonna drop it?
(Right now, right now, right now, right now)
Not now, but right now! GILLA!
Not now, but right now! GILLA!

[Verse 3: Redman]

Yo, if your block on fire
I come through and put it out with my saliva
Through each paragraph in ultraviolet
Got neighborhoods - "Hi dogg, I'm the palette"
Blunt or a chalice, Red is the Wildest
I'm on some newshhhh!
You on my oldshhh!
You just confused it
Doc is the Boss here, nobody move now!
Method: Desert Storm, leavin' no clue around!
Smell manure now, Redman stinkin'
AA meetings, my ink-pen drinkin'
Dead men don't blink, I "Stay Alive"
Since a Bee Gee, I kept "Fire In My Eye"
Erick Sermon back, homey never left
Now the beats he bang, make you rubberneck
I'll bounce you like a voice-check
I'm a "Bulldog"; like I'm a Ge-Ge-Georgetown HOYA!

[Chorus x4: Redman (Al Green sample)]

Hold up! Wait a minute! Tell me again!
When you gonna drop it?
(Right now, right now, right now, right now)
Not now, but right now! GILLA!
Not now, but right now! GILLA!
