

# Redrum, Brother Love

[Verse 1:]

Now We're Chillin, Kickin Back, Reminiscing About The Days  
When We Would Drink Up On A Brew, Smoke A Blunt, And Just Get Blazed  
I Was Younger Than You Homie, 2 1/2 Years To Be Exact  
I Always Looked Up To You Homie 4 Some Guidance That's A Fact  
U Were Bigger And Older, Bro You Are My Role Model  
Whatever You Did I Wanted To Do, Bro I'm Always Gonna Follow  
Ever Since We Were Little You Know We Always Stuck Together  
I Always Thought It Was Hella Cool, I Didn't Know It Could Get Better  
Sure Enough It Did, We Always Stood Side By Side  
If You Ever Had Beef Young Redrum Was Down To Ride  
You Know I Got Your Back 24/7 4 Sure  
You Gotta Tell Me What's Up Bro, You Just Gotta Let Me Know  
I'll Have Your Back In A Second, I Won't Have To Think Twice  
If It Came To It I'll Protect You Even If I Took My Life  
Blood Is Thicker Than Water And You Know It's A Fact  
Through Thick And Thin It's Nothin, Bro You Know I Got Your Back

[Chorus:]

Bro You Know I Got Your Back, I Don't Have To Think Twice  
I Got Your Back, You Got My Back, That's When Wrong Went Right  
Now Since You've Always Had My Back I'm Just Returning The Favor  
You Know I'll Get The Job Done, Worry About The Consequences Later  
There Will Be No Hesitation When It Comes To You Bro  
I Might Be Mad As Fuck, But I'll Still Stick Right By You Bro  
Brother Love Runs Deep And You Know It's A Fact  
Come Fuck With Me, I'll Test Their Nuts, I Guarantee I'm Gonna Attack

[Verse 2:]

Now You Know I Got Your Back, You Gotta Let Me Know What's Up  
If Them Haters Keep On Talkin We'll Make Them Shut The Fuck Up  
Since You've Always Had My Back I'm Just Returning The Favor  
I'll Get The Job Done, Worry About The Consequences Later  
Like The Times We Had Beef, Who Stood Right By Your Side  
When Your Boys Were Suckaz, Young Redrum Was Down To Ride  
I'm Always Watching Your Back, You Know I Got My Eyes On You  
Cause If Your Ever Gonna Chunk'em You Know I'm Gonna Chunk'em Too  
I Got Respect 4 You Homie, You Took One 4 The Team  
The Day You Got Locked Up, You Know It Should've Been Me  
But You Were Standing Tall Bro And You Rose To The Occasion  
Loyalty Above All Else and You Never Hesitated  
Like The Time At School, The Beef With TCG  
When They Tried To Run Up And Point The Finger At Me  
You Were The First One By My Side And You Never Looked Away  
And Vice Versa Nigga, You Know It's Gonna Remain The Same

[Chorus]

[Verse 3:]

Now All The Times We Fightin Bro, You Know It's Always Stupid Shit Fool  
You Can Get Up In My Face But I Ain't Ever Gonna Hit You  
Or Diss You, I Got More Respect Than That  
And Nothin Comes Between Us Junebug That's A Fact  
It's Gonna Take A Hell Of A Lot 4 Me To Hold A Grudge  
You Know This Shit Runs Deep, It's No Other That Brother Love  
So Let's Put It All Behind Us And Let's Squash This Stupid Shit  
I Know We Had Drama Before But It Was On Some Stupid Shit  
So I Say Out With The Past And Let's Continue With The New  
You Gotta Be Happy Bro So You Gotta Keep That Shit Cool  
You Gotta Keep Your Nose Clean And Stay Away From Them Suckaz  
Cause You Know They're Little Bitches, They Some Hatin Mothafuckaz  
You Can't Trust Who Ever You Want Cause You Know They're Backstabbers  
But I'll Tell You Who You Could Trust: Me And Lil D and Casper  
Might Have Voices In My Head, But You Know I'm Trust Worthy  
So Just Give Us A Call We'll Have Your Back Up In A Hurry

[Chorus x2]
