

REDZED, Bleed For Me / Drumin' Hard

Go, bleed, take out the blade

Take out the blade, yeah, take out the blade (Oh, yes, envy, die)

Slay, bleed, pick up the blade

Pick up the blade, yeah, pick up the blade (Oh, yes, envy, die)

Hey, me, follow me, find the voice and follow me now

Hey, me, follow me, find the voice and follow me

Hey, me, follow me, find the voice and follow me now

Hey, me, follow me, find the voice and follow me

These are my entries day out

This is what it's all about

Go, bleed, take out the blade

Take out the blade, yeah, take out the blade (Oh, yes, envy, die)

Slay, bleed, pick up the blade

Pick up the blade, yeah, pick up the blade (Oh, yes, envy, die)
