

REDZED, Burybody

Body, yeah
Rock your body, yeah
Everybody, yeah
Backstreet's back, alright

I'm the apocalypse (Yeah)
I wanna see you fall (Yeah)
There ain't no dawn eclipse (Yeah)
Oh, it's that just the day you bleed, I'm 'bout to bury body now

I bury bodies (Yeah)
Piecin' bodies (Yeah)
In name of violence 'bout to take a life
My hands turn red tonight!

I'm the anxiety (Yeah)
I know I don't belong (Yeah)
Death to society (Yeah)
I am everything that you don't want, I'll fuckin' break you now

I bury bodies (Yeah)
Piecin' bodies (Yeah)
In name of violence 'bout to take a life
My hands turn red tonight!
