

REDZED, Hang Me By The Neck

There's no more room in hell, the dead will walk the earth

Hang me by the neck
Can you put me in the hook?
Baby, can you leave me there?
I just wanna die alone
Hang me by the neck
Can you put me in the hook?
Baby, can you leave me there?
I just wanna die alone

Kill me
Can you hang me by the neck? I'm begging
Kill me
I'm begging, I'm begging for it
Kill me
Can you hang me by the neck? I'm begging
Kill me
I'm begging, I'm begging for it

I'm so none, I want to die
I'm so none
Hang me by the neck (I'm so none)
Hang me by the neck (I'm so none)

Kill me
Can you hang me by the neck? I'm begging
Kill me
I'm begging, I'm begging for it
Kill me
Can you hang me by the neck? I'm begging
Kill me
I'm begging, I'm begging for it
