

REDZED, HEROIN

Underneath my skin and bones
Feeling like I lost control
I'm hoping for the better days
Sticking needles in my veins

I be hiding in the cloud, hiding in the cloud
Hiding in the cloud, bitch, you can't see me
I be hiding in the cloud, hiding in the cloud
Hiding in the cloud, bitch, you can't see me

Fading out, passing out, lying on the floor
Bitch, I'm feeling like I'm dying Febraury '94
Bitch, I'm shooting up the dose, going fucking overdose
Bitch, I'm going overboard, and I'm praying for the lord

It's five in the morning, I'm high on heroin
I feel like I'm leaving this world forever
It's five in the morning, I'm high on heroin
I feel like I'm leaving this world

I be hiding in the cloud, hiding in the cloud
Hiding in the cloud, bitch, you can't see me
I be hiding in the cloud, hiding in the cloud
Hiding in the cloud, bitch, you can't see me
