

REDZED, SEPPUKU (You'll be Mine)

they say dont be afraid
but i think you shoud be
our life's are facing hell
and we're dying surely
must it be this way
i dont know im sorry
all i see is pain
than you should worry

roots bloody fuckin roots
i was born devil
symptom of the universe, aint no god, ever,
children of the fuckin corn, let the blood drip,
all the hope is far and gone, life's bad a trip

trust me i'll be there, when
your world turns black, where it's dark
and sad

you're my only one
i will love you till the i die
you're my shining sun,
i wish i could reach it

you'll be mine
you'll be mine
urgh-ah seppuku
ah seppuku
urgh-ah seppuku
ah seppuku
urgh-ah seppuku

i'll let ya commit seppuku
urgh-ah seppuku
ah seppuku
urgh-ah seppuku

ah seppuku
urgh-ah seppuku
i'll let ya commit seppuku
