

Reel Big Fish, Beer

[verse]

She called me late last night, to say she loved me so
It didn't matter anymore,
I say she never cared
And that she never will,
I'd do it all again
I guess I'll have to wait until then

[chorus]

And if i get drunk well, I'll pass out
On the floor now baby
You won't bother me no more
And if you're drinkin' well, you know
That you're my friend and I say
I think I'll have myself a beer

[verse]

She called me late last night, to say she loved me so
but I guess you changed her mind.
Well I should have known, it wouldn't be all right,
but I can't live without her
So I won't even try...

[chorus]

And if I get drunk well, I'll pass out
On the floor now baby
You won't bother me no more
And if you're drinkin' well, you know
That you're my friend and I say
I think I'll have myself a beer

[interlude]

Maybe some day, I'll think of what to say
Maybe next time I'll remember what to do
She looks like heaven, maybe this is hell
Said she'd do it all again, she'd promise not to tell!

[chorus]

And if I get drunk well, I'll pass out
On the floor now baby
You won't bother me no more
she said,
it's okay boy cause you know
we'll be go friends and I say
I think I'll have myself a beer
I think I'll have myself a beer

Woohoo etc
yeah yeah yeah
woohoo
