Got your call the other day Bout how you Were missing me

Heard your call the other day Said how you Were missing me

Some day you'll wake up and i" be there Just for a moment you'd see Saw you there acroos the room You were staring straight back at me Give you anything you want All that you want is me Cross continental Would be ok Only if we get to stay

Goodnight to you Goodnight to you To you Goodnight to you To you

Know that i'll always come back for you Know in your heart that it's true
