Regina Belle, Baby Come To Me

Oh, ho, ho
Oh, oh
Ho
Hey, hey, yea
Oh, ho

Silver moon
Shining on my bed
Beside my pillow
Light the pathway
To bring that man
To me

Oh, ooh
Something tells me
My words
Are goin' straight
To his heart
And ooh
Somethin' tells me
You will be all mine

Baby, come to me
'Cause I love you
Thinkin' of you, oh
Baby, come to me
Gotta have you
You got it goin'
You turn me on
Baby, come to me

Oh, ooh

Know a secret
How to make you want me
How to make you love me
Whoa
Sure
As there's a moon above
It's a friend of mine
It still makes you burn

Said, ooh, ooh
Something tells me
The fires
Goin' right up
Your spine
Whoa, ooh
Somethin' tells me
You will be all mine

Baby, come to me
'Cause I love you
Thinkin' of you, oh
Baby, come to me
Gotta have you
You got it goin'
You're turnin' me on

Baby, come to me
Said I love you
Thinkin' of you
Oh, whoa
Baby, come to me

Gotta have you, yeah
Got it goin'
You're turnin' me on

Baby, come to me
Whoa, yeah

Come on, baby
You know what I want
Listen
Come on closer
Go 'head

Oh, oh
Something's
Tellin' me, yeah
The fire's
Goin' right up
Your spine
And ooh, ooh
Something's tells me
Yeah
You'll be all mine

Baby, come to me
'Cause I love you
Thinkin' of you
Oh, oh, yeah
Baby, come to me
Gotta have you
You got it goin'
You're turnin' me on

Baby, come to me
Sweet baby
I love you
(Sweet baby)
Oh, baby, I need you
(Said I need you)
Sweet baby
Come to me now
(Come on home to me, baby)

Baby, come to me
Sweet baby, I love you
(There's a silver moon)
Oh, baby, I need you
(Shining over you)
Sweet baby
Come to me now
(Me and you, oh)

Baby, come to me
Sweet baby, I love you
(Oh)
Oh, baby, I need you
Sweet baby
Come to me now
(Baby, why don't you
come on home to me)

Baby, come to me
Sweet baby, I love you
(You got it goin' on)
Oh, baby, I need you

(Oh, oh, oh)
Sweet baby
Come to me now
(Baby, please
come on home to me)

Baby, come to me
(Oh)
Sweet baby, I love you
Oh, baby, I need you
Sweet baby
Come to me now
(Oh, baby, come to me)

Baby, come to me
(Oh)
Sweet baby
I love you
