

# Rehab, Sittin' At A Bar

---GENERAL CONVO BACKGROUND

Care for another Martini  
I could wet my whistle  
Brandy Sir

---SONG

Bartender I really did it this time  
broke my parole to have a good time  
when i got home it was 6am  
the door was locked so i kicked it in

She was trippin on the bills  
I think she was high on some pills  
She threw my shit out into the yard  
Then she called me a bum and slapped me real hard

And in my drunken stoooper I did what I shoulda never done  
Now I'm sittin here talkin to you, drunk and on the run

I'm sittin at a bar on the inside  
Waitin for my ride on the outside  
She stole my heart in the trailer park  
So I jacked the keys to her fuckin car  
Crashed that piece of shit  
And then stepped away

Ya know Mo I'll probably get 10 years  
So just gimme beers 'till they get here  
Yeah I know the sun is comin up  
and yall are probably gettin ready for closin up

But I'm tryin to drown my soul  
I'm tired of this life on the dirt road  
Everything that I love is gone  
and I'm tired of hangin on

She got me sittin at a bar on the inside  
Waitin for my ride on the outside  
She stole my heart in the trailer park  
So I jacked the keys to her fuckin car  
Crashed that piece of shit  
And then stepped away

Guess it was meant to be  
Romance is misery  
So much for memories  
And now I am headed to the penitentiary  
See me on TV  
The next cop series  
I am a danger  
I guess I should have did something about my anger  
But I never learn  
Real things I don't concern  
I pour kerosene on everything I love  
And watch it burn  
I know it's my fault  
But I wasn't happy it was over  
She threw a fit  
So I crashed that piece of shit novo

And now I'm goin back again  
back to the pen to see my friends  
when we all pile out that county van

They'll ask me wher I been

I've been at a bar on the inside  
Waitin for my ride on the outside  
She stole my heart in the trailer park  
So I jacked the keys to her fuckin car  
Crashed that piece of shit  
And then stepped away
