

Reilly Maggie, Don't Wanna Lose

I don't wanna lose
I don't ever wanna lose
I don't ever wanna lose your love
I don't wanna lose
I don't ever wanna lose
I don't ever wanna lose your love
Last night
When we were talking
I saw the look of sadness
In your eyes
Last night
I took you walking
And wondered if somehow
I could make things right
Please don't you throw our love away
I couldn't bear to lose it
Hang on, trust me one more day
I'll come around
I don't wanna lose
I don't ever wanna lose
I don't ever wanna lose your love
I don't wanna lose
I don't ever wanna lose
I don't ever wanna lose your love
I knew, that you'd be crying
I promise, I won't tell another lie
Please don't you throw our love away
I couldn't bear to lose it
Hang on, trust me one more day
I'll come around
Oh my love
Can't you understand
How I'm feelin'
How I'm feelin' deep inside?
Oh my love
Can't you feel
The way that I'm feelin'
That I'm feelin' deep inside
I don't wanna lose
I don't ever wanna lose
I don't ever wanna lose your love
Last night when
We were talking
I saw the look of sadness
In your eyes
Please don't you throw our love away
I couldn't bear to lose it
Hang on, trust me one more day
I'll come around
I don't wanna lose
I don't ever wanna lose
I don't ever wanna lose your love
I don't wanna lose
I don't ever wanna lose
I don't ever wanna lose your love
Last night...
I don't wanna lose
I don't ever wanna lose
When we were talking...
I don't ever wanna lose your love
I saw the look of sadness..
I don't wanna lose
I don't ever wanna lose
In your eyes...

I don't ever wanna lose your love
Last night...I don't wanna lose
I don't ever wanna lose
I took you walking...
Music: MacKillop
