

Relative Ash, 6 Miles To Learn

why are you scared of me why
sold out your church with crooked head
exit your weak from priest he read kept me up to heal my own
skip with the crippled warm their home healthy no mature
I've grown selfish your damage grows from actions son
now I miss the little things your heart is empty share with us
why you showed nothing why you showing nothing
why you show nothing I don know
you scratch yourself you'll clear a room never ashamed I'll lick your
wounds crowd for cure infection burns health is a prize
6 miles I learn healthy no mature I've grown selfish
your damage grows from action son now I miss the
little things your heart is empty share with us
why you showed nothing why you showing nothing

why are you scared of me why are you scared of me I broke
I left him sick alone what kind
of son am I sleepless I remember his yeah right best try
best try to know your boy sleepless now I learned from this
I took a walk to make me feel better I miss you

and we don want this shit to kill anyone else
and so we crowd for cure
sold out church with a crooked head exit your weak from priest
he read a roam from home on healthy legs your death
gave birth to relative healthy yes and nothing less
I love you
now I miss the little things your heart is empty
