

# Relient K, Be My Escape

I've given up on giving up slowly, I'm blending in so  
You won't even know me apart from this whole world that shares my fate  
This one last bullet you mention is my one last shot at redemption  
because I know to live you must give your life away  
And I've been housing all this doubt and insecurity and  
I've been locked inside that house all the while You hold the key  
And I've been dying to get out and that might be the death of me  
And even though, there's no way in knowing where to go, promise I'm going because  
I gotta get outta here  
I'm stuck inside this rut that I fell into by mistake  
I gotta get outta here  
And I'm begging You, I'm begging You, I'm begging You to be my escape.

I'm giving up on doing this alone now  
Cause I've failed and I'm ready to be shown how  
He's told me the way and I'm trying to get there  
And this life sentence that I'm serving  
I admit that I'm every bit deserving  
But the beauty of grace is that it makes life not fair

Cause I've been housing all this doubt and insecurity and  
I've been locked inside that house all the while You hold the key  
And I've been dying to get out and that might be the death of me  
And even though, there's no way in knowing where to go, promise I'm going because  
I gotta get outta here  
Cause I'm afraid that this complacency is something I can't shake  
I gotta get outta here  
And I'm begging You, I'm begging You, I'm begging You to be my escape.

I am a hostage to my own humanity  
Self-detained and forced to live in this mess I've made  
And all I'm asking is for You to do what You can with me  
But I can't ask You to give what You already gave

Cause I've been housing all this doubt and insecurity and  
I've been locked inside that house all the while you hold the key  
And I've been dying to get out and that might be the death of me  
And even though, there's no way in knowing where to go, promise I'm going because  
I've gotta get outta here  
I'm stuck inside this rut that I fell into by mistake  
I've gotta get outta here  
And I'm begging You, I'm begging You, I'm begging  
You to be my escape.

I fought You for so long  
I should have let You in  
Oh how we regret those things we do  
And all I was trying to do was save my own skin  
But so were You

So were You
