

Relient K, For The Band

Now for the question
It just won't go away
So what are we
Gonna do today
Cuz it seems like
For the last four years
We've had far much
Let some say
I know I always come out
Like a pessimist
But there is always something else
That's leading up to this
Chris used to come
To all the local shows
Back when the days were simple
Do you remember those

[Chorus]
Days are gone but Chris is not
And now he's got the air
And in fact along with that
He's developed a severe disliking for
I don't like, how it seems like
Anything he sings is
For the band
I don't like, how it seems like
Anything he sings is
For the band

So don't think I'm going to
Sit and complain
When there's so many
Good things left to say
But watch closely
As i refrain
From forgetting who I am Along the way

[Chorus]
She sat me down and said to me
I think you've misplaced your identity
Cuz what you do isn't all of who
You really are

Cuz everyday is just the same to me
We'll play it sloppily
We're singing out of key
Cuz everyday is just the same to me
We'll play it sloppily
We're singing out of key

[Chorus]
