Relient K, Give

No one told me the right way to go about this So I'll figure it out for myself Cause how much is too much to give you Well, I may never know so I'll just give until there's nothing else

Yeah, I'll give give give until there's nothing else Give my all until it all runs out Give give and I'll have no regrets I'll give until there's nothing left I'll give

No one told me how bad I need you But I somehow arrived at that conclusion all by myself And I want all you have to offer So I'll offer myself and I'll just give until there's nothing else

Sometimes it seems like all I ever do Is ask for things until I ask too much of you But that is not the way that I want to live I need to change, yeah something's gotta give
