

Rell, Last Ride

My dough my car my sanity
You had it all girl (you had it all girl)
My heart my home girl my everything
You had it all girl (you had it all)
But still every thing that I gave up mmmm some how is not enough for you(you)
Ms. never satisfied running with an other guy
Mmhhmmmm
So your tears still burn and you live and you learn
I know this much is true
I never play this game again with you

(Chorus)

This is your last ride
Girl since you don't wanna act right
I'm go head and back it up
Baby girl im in the wind(in the wind)
This is your last ride
Going back to that fast life
And it's all because of you
Look what you made me do

My walk, my talk, my swagga too
all comin back girl (all comin back girl)
Mmhhmmmm
all the baddest girls I turned away for you
all comin back girl (all comin back)
And to think that everything I gave up some how was not enough for you(you)
Ms. Never satisfied runnin with an other guy
Mmhhmmmm
So your tears still burn and you live and you learn
I know this much is true
I never play this game again with you

(Chorus)

This is your last ride
Girl since you don't wanna act right
I'm go head and back it up
Baby girl im in the wind (in the wind)
This is your last ride
Going back to that fast life
And it's all because of you
Look what you made me do
I didn't wanna go back (I didn't wanna go back)
But you forced me to be the man I used to be
You shouldn't of did it like that (oh baby)
You just had to run the streets
So no more you and me

(Chorus 2 xs)

This is your last ride
Girl since you don't wanna act right
I'm go head and back it up
Baby girl im in the wind (im in the wind)
This is your last ride
Going back to that fast life
And it's all because of you
Look what you made me do
