

# Remady, Beautiful Life (ft. SNÄRE)

Girl, I can give you  
a beautiful life.  
Let me give you  
a beautiful life.

Is that obvious  
when your eyes look in mine?  
Is it dangerous  
to settle down?

I'm imagining  
growing old till we're out of time.  
Is it dangerous  
to settle down?

Every time I'm in doubt and feeling lost,  
girl you are my home.  
My miracle.

I need to hear you feel the same,  
oh, I will be there every day.  
I'm screaming with all my heart.

Girl, I can give you  
a beautiful life.  
Let me give you  
a beautiful life.

Girl, I can give you  
a beautiful life.  
Let me give you  
a beautiful life.

I'm emotional  
when I'm talking about us.  
Is it hard to trust  
your heart?

I'm imagining  
growing old till we're out of time.  
Is it hard to trust  
your heart?

Every time I'm in doubt and feeling lost,  
girl you are my home.  
My miracle.

I need to hear you feel the same,  
oh, I will be there every day.  
I'm screaming with all my heart.

Girl, I can give you  
a beautiful life.  
Let me give you  
a beautiful life.

Girl, I can give you  
a beautiful life.  
Let me give you  
a beautiful life.

Beautiful life  
Beautiful life

Girl, I can give you  
a beautiful life.  
Let me give you  
a beautiful life.

Girl, I can give you  
a beautiful life.  
Let me give you  
a beautiful life.
