

Remedy, Suddenly

(Anderson/Cichon/Beamish)

I only dreamed that I would find
A loving heart an open mind
To see the real me
And I hoped that you would be the one

A chance to talk a chance to grow
I'll take the risk let my feelings flow
I've found the words I need to say
The teacher said you're just a slow achiever

CHORUS

Suddenly you're seeing me
Just the way I am
Suddenly you're hearing me
So I'm talking just as fast as I can
To you
Suddenly every part of me needs to know

Every part of you

And now I know you are mine
You bring me love and peace of mind
You see the real me
And I know that you're the key

CHORUS - repeat

Suddenly openly you're all I want all I need you to be

Suddenly every part of me needs to know
Every part of you

Just you, it's you
