

# Remedy, Winnie Mandela

(Anderson/Meyer/Cichon/Beamish)

Winnie Mandela born a princess  
She's a prisoner in her own land  
Her only crime was to fall in love  
With a strong and honest man  
Her only crime was she fell in love

Winnie Mandela knows of heartache  
She's married but seldom a wife  
She found the strength to rise above  
The pain the trouble and strife  
Oh yes she rose above the pain the trouble and strife

CHORUS

Winnie Mandela fuelled by the love of her land  
Winnie Mandela lives for the love of her man  
Her only crime was she fell in love

Winnie Mandela lives with real pain  
Keeps it hidden until the night  
For 20 years she has slept alone  
Tears can never put that right  
For 20 long years she's slept alone

Repeat CHORUS X2
