

Remission Blame, Dance of the Witch

On the highest hill
In the darkest forest
Theres our festival
Dance of thunder
Dance with snakes tongue
Winged ecstasy
United evil forces
Have their time tonight
Have their dance tonight
Dance of the witch 2x
Ref.
Ecstatic dance of gloom
Call of animal instinct
In the blackest night
On the highest hill
Dance of the witch 2x
Night of fear and screams
Whispers in the wind
Mixed with wolves howl
Dance with holly fire
Dance in the moonlight
Devilish seed is here
Night of holly fire
Night of holly dance
Speech of naked bodies
Dance of the witch 2x
