

Renaissance, Bound For Infinity

Warm sun shining through seagulls wings
Makes mottled patterns upon the sea
Transparent fames in feathered flight
Bound for infinity

I am near you, your freedom flight
Your ruffled waters they gleam
Solid coast of grayness
A salty glistening sheet

Ba du da
Ba du da
Ba du da
Ba du da

And you will follow the wind forever
And glide the breezes bright stream
Wondering when game sun splashed
A crystal water's dream
