

# Rene Froger, You'll Never Stand Alone

If there's a time when the tears should fill your eyes  
And you can't see past the shadows  
To the sun on the other side  
Don't despair  
Because there always will be someone there  
Don't lose faith  
Love won't let you lose your way because you

You'll never stand alone  
I'll be standing by  
I'll keep you from the cold  
I'll hold you when you cry  
I'll be there to be strong when you can't find the strength inside  
And you  
You'll always have a home  
In these arms of mine  
You'll never stand alone  
Love is standing by

If there's a day  
When the rain should find your heart  
And you're cold and tired and lonely  
And this world has you in the dark  
Don't be scared  
You can reach for me and I'll be there  
Don't lose hope  
Love will see you through you know  
Because you

You'll never stand alone  
I'll be standing by  
I'll keep you from the cold  
I'll hold you when you cry  
I'll be there to be strong  
When you can't find the strength inside  
And you  
You'll always have a home  
In these arms of mine  
You'll never stand alone  
Love is standing by

Pag. 2 vervolg: You'll never stand alone

Standing by to lift you above all the hurt and pain  
Standing by to carry you through  
all the tears and rain  
You gotta reach for me  
and I'll be with you  
You gotta reach for me  
and I'll see you through  
I'll be the one to hold you  
The one to show you yes you

You'll never stand alone  
I'll be standing by  
I'll keep you from the cold  
I'll hold you when you
